

Northrop High School
"Big Orange Pride"

Northrop Instrumental Music Department

Thank you for your interest in advertising through the Northrop Marching Band Invitational, Jazz Festival, and the Northrop Music Department Concerts.

We hope this opportunity to spread your message to customers with a common interest in your business and the support of high school instrumental music education provides a successful partnership between your business and the Northrop Music Department.

While your support of advertising in our Marching Band Invitational, Jazz Festival and Music Department Concert programs provides you with exposure to new and existing customers, it also helps to provide the resources needed to continue the great tradition of music education at Northrop High School that has affected the lives of thousands of Northrop students.

This year we have expanded this opportunity for you to reach even more customers. By placing an ad in the Invitational and Jazz Festival at the same time we have added a few benefits. We will place a large ad on the Semi truck or guard trailer and a link on our web site to drive customers to you.

Those who attend our music events and music dept concerts will appreciate your support and we expect this to translate into increased business for you as our audience is encouraged to support our program sponsors with their business. If you are a previous advertiser with us, welcome back. We hope that you will all return with us for a sponsorship next year. If you feel you only want to participate in one program, we have pricing for that as well. If you have any questions, please feel free to contact us.

Thank you for your support
